Deputy Commissioner's Office

Dated 11th / 14th May 1894.

To

The Secretary to the
Government of Mysore
Muzarai Department.

Sir,

I have the honour to state that there is a temple of Anjaneya Devaru in the village of Kadalbala, Davanagere Taluk, which has for many years past been treated as a Muzarai Institution.

2. This temple enjoys a Jodi Inam land in the said village as shown in the margin as well as a money payment of Rs: 42-7-0 made every year from the Hulbanni realizations of the village. The income derived from the above is duly credited to the Temple funds under Muzarai, and debited on account of annual Car procession &c. under orders from the District Office

Jodi: Assessment: 44-0-0
Cultivated: 87-8-0
Waste: 140-48
S. Nos: 27. 29. 30. 31. 32. 33. 13. 18.

3. In May 1893, a dasthaut was received in respect of 3 assessed waste lands situated in the village. In the course of investigation, the villagers presented a petition before the Amildar objecting to the grant of the lands for cultivation on the ground inter alia that such grant would materially diminish the Huleamni realizations and thus seriously affect the income of the Temple.

4 The Amildar overruled this objection and sold the lands for Rs. 340/. On receipt of the sale record in this Office for confirmation, a reference was made to the Extra Assistant Commissioner Mr. Ramaswami Iyengar, who in forwarding the correspondence between himself and the Amildar together with an unauthenticated copy of order No. 323 of 1840 produced before him by the Shanbogue of the village, as the authority for the existing practice,

practice, stated that no original order was forthcoming in the records of the Taluk, and that no notice appeared to have been taken of the matter during the Inam enquiry. The records were then returned to the Amildar for a further report upon certain points connected with the enjoyment of the bulk of the Hulbanni revenue by the temple.

5. In reply, he submitted a list of waste lands, from which it appeared that there were 21 unoccupied numbers in Saravadhari, 18 in Virodhi, 15 in Vikruti, 11 in Khara, 6 in Nandana and 5 in Vijaya, in which last mentioned year the objection to the grant of lands for cultivation was for the first time raised by the villagers.

6. The revenue from Hulbanni was a fluctuating item until the year 1885 when it was fixed at Rs: 50/. A definite sum of Rs: 7-9-0 has been credited to Government all along from about the year 1840 up to the present time. Previous to 1885 the amount paid to the

temple

Temple fluctuated according to the number and extent of unoccupied lands available for Halbaumi. Since 1885 however, a sum of Rs. 42. 7-4 has been paid year after year for the use and benefit of the temple.

7. The Amildar with the above report forwarded an original order No 1836 from Major Stokes then Superintendent of Nagar Tukadi to the Amildar of Wai ordering that the temple should be allowed 3 pagodas as usual out of the Halbaumi realizations of the village. The Amildar further stated that the original order No 323 dated 16th August 1840 from the Assistant Superintendent, Nagar Tukadi, directing the Amildar to pay the Halbaumi realization to the temple minus Rs. 7-9-4 was not available in the Taluka record.

8. During the Jamabandi of 1893 I proceeded to the said village and made enquiries on the subject. Though there appear to exist a conflict between the two orders above mentioned

referred to, it is quite clear that the temple has for a long series of years been in receipt of the whole of the Huldbanni revenue except Rs: 7-9-11. It has been reported that the accounts connected with the temple funds and with the Huldbanni realizations are available for only 10 years past, and that those of previous years have been destroyed.

9. The villagers having consented to pay the full assessment of the 3 survey numbers in question as Huldbanni, their request was granted and accordingly the sale originally held under the orders of the Amildar was cancelled, leaving the existing practice untouched.

10. I also made a reference to the Superintendent of Inam Settlements stating the circumstances under which the temple has

has been receiving the Government Hulbanni Amount Annually and the fact of the same not being noticed in the Inam settlement. In reply, that Officer has stated that this fact does not seem to have been brought to notice during the Inam enquiry. I, therefore, beg to submit the entire record of the case for the orders of Government.

2. I beg to add that if after due investigation the money payment in question is found to be a valid grant, the Institution should be allowed a definite Amount as Ready money allowance independent of the revenue derivable by Government from assessment, Hulbanni and other sources.
